

Dr Nicole Brown

Social Research & Practice and Education Ltd.

Dear Nicole,

I hope this email finds you all well. Not long now to the spring break, which is so well-deserved and needed. I do have some important dates and information to share, though:

Our very own [Áine McAllister](#) has been invited to be the keynote poet at UNESCO Centre for Refugee Integration through Language and The Arts Spring School in May. This is obviously exciting news and I certainly look forward to seeing the outcome of this endeavour and to hearing Áine talk about this at some point.

Please, note that in the UK we have had the time change to daylight saving time. If you are not in the UK time-zone, please, check for timings to events and seminars etc.

On the 6 April 2022 at 2pm British Summer Time. Dr Eleanor Dare, a Lecturer in Practice Based Research and Media at UCL, will be presenting her talk [Queer Psycho: arts-based research and immersive visual storytelling](#).

**Join seminar on 6 April at
