Social Research & Practice and Education Ltd.

Dear Nicole,

After a rather long break from the newsletter-writing, I am now getting back into the swing of things. I hope you have had a good break, and are just as keen as I am to pick up where we left off.

We have an exciting programme planned for this academic year, which will focus on ethics and ethical considerations within the context of Practice As Research work. The first speaker in this series is Prof Kate Wall from the University of Strathclyde who will talk about ethics and ethical considerations within the context of educational practitioner research. Please [check out the Eventbrite page](#) for details and to register.

The schedule for our Poetry As Research group is also being finalised, and Áine will soon have more news regarding timings and emphases for the sessions in the autumn. Should you wish to be included in the poetry-specific mailing, please contact [Áine McAllister](#).

[Join on 4 October at 2pm](#)

Future seminars:

12 October 2022: Dr Ana Pellicer Sanchez.

2 November 2022: Dr Elena Tragou.

16 November 2022: Dr Ross Purves.

7 December 2022: Dr Estelle Evrard.

Wishing you a very good week ahead, and looking forward to connecting soon...

Nicole
